## ACTION

This was the first Annual General Meeting of the Parklands Residents' Association

### 1. Chairman's Report

The Chair thanked everyone for attending. He reported that the Residents' Association was covered under the same insurance policy as the Community Association. The Association was now in a position to be able to apply for funding and this would assist with administration costs. He was aware that all money raised so far had come from contributions and was concerned that no one should be out of pocket for any work that they do for the Association. The Residents' Group had only been established for a short period, yet already much had been achieved. Ken was anxious that Councillors, Officers, Police etc. continued to be invited to meetings in order that the meetings were more than a forum for talk and more action could be achieved.

### 2. Secretary's Report

There were no issues to report

### 3. Treasurers' Report

The Treasurers' reported that they required a copy of the Association's constitution and signatures from the Chair and Vice Chair in order to open a bank account. The association would then be able to obtain the Borough Council grant.
