To Whom It May Concern:

Re: Land at former Parklands Middle School

We would like to express our objection to houses being built on the former Parklands Middle School site in Devon Way. As a longstanding football club we regularly use the fields on this site and are fully aware that parking is already an issue when we are playing football.

We suggest that the old school facilities could be saved partly for our use and to complement the facilities at the community centre.

Yours faithfully  
Kathy Gillingham  
Secretary  
Parklands Tigers Football Club
